

Announcing:

# JotForm PDF Editor

*“Automate polished and designed documents”*

Provided under embargo until **October 15, 2018**

## About JotForm

Fostering better communication and knowledge of customers via the highest-performing, easiest-to-use data collection platform.

- **Founded in 2006 by Aytekin Tank** as the first drag-and-drop online form builder
- **4.1 million registered users** worldwide
- Bootstrapped, with **more than 130 employees**
- **50% year over year growth** each of the past five years

## About PDF Editor

PDF Editor automatically turns collected form data into professional, great-looking PDFs. With zero learning curve, PDF Editor allows users to seamlessly design and customize documents with information received through online forms. This tool can streamline a business workflow by easily downloading, storing, printing, and sharing files.

Anyone can use PDF Editor, regardless of technical and design skills.

## Why it matters

Whether a business needs to create applicant records, document event attendee registration information, generate an invoice for payments, document an incident report, or prepare an agreement, PDF Editor automates the process and saves valuable time.

## Key features and benefits

### **Automation**

Once a PDF document design has been created, the form submission data will automatically use this same design every time.

### **Drag and Drop**

Working with PDF Editor requires zero technical skill. Elements can be added and moved using JotForm's drag and drop interface to create a professional-looking design.

### **Electronic Signatures**

Accept electronic signatures whenever someone fills out an online form. No printing or scanning required.

## Key features and benefits

### **Make a Fillable PDF**

A special online PDF form that sends response data to straight to a user's JotForm inbox.

### **Custom Branding**

Documents can be customized with colors and graphics to match a company's brand.

### **Storage and Sharing**

PDF documents are easy to store and share.

## How it works - Easy Drag and Drop

The screenshot displays the JotForm editor interface for a form titled "Surf Club Registration Form". The top navigation bar includes the JotForm logo, the form title, a "Switch to Old Version" button, and a user profile icon. Below this, a secondary bar shows the form name "Surf Club Re...", a "+ New PDF" button, and a "Preview PDF" toggle. The main workspace is divided into three sections: a left sidebar for "Add Element", a central preview area, and a right sidebar with utility icons.

## How it works - Share with no hassle

The screenshot displays the JotForm web interface for a form titled "Surf Club Registration Form". The interface includes a top navigation bar with the JotForm logo, the form title, a "Switch to Old Version" button, and a user profile icon. Below the navigation bar, there's a toolbar with "Undo", "Redo", and a search bar containing "Irene Butler". To the right of the search bar are buttons for "Print", "Share", and "Download". A "Preview PDF" toggle is also visible. On the left side, there's an "Add Element" panel with tabs for "BASIC ELEMENTS" and "FORM FIELDS". The "BASIC ELEMENTS" tab is active, showing options like Text, Image, Line, Signature, Space Element, Section, Page Break, Form Title, and Form Logo. The "FORM FIELDS" tab is also visible. The main area shows a preview of the form, which includes fields for "Design Co.", "E-mail" (irene.butler57@example.com), "Phone Number" ((847) 2661473), and a question "Are you an existing customer?" with a "No" button. A modal dialog titled "SHARE PDF DOCUMENT" is centered on the screen. It contains a green link icon, the text "Your PDF document is ready to use at this address", a text box with the URL "https://link.jotform.com/0lz5GfRYTn", and two buttons: "COPY LINK" and "SEND WITH EMAIL".
